2018 · 11/25 (SUN) – 12/23 (SAT)

except Tuesdays & Wednesdays (opening times below)

ECODA HÉM · Māimāi

1-74-9 · 1-76-2 Asahigaoka, Nerima, Tokyo

ANIRBAN BASU

A butterfly fluttering over a flower; a bird bathing in a puddle of water; golden afternoon sunlight through the window blinds; the moon peeping through the floating clouds at night – many a fleeting detail that often passes us by. A computer science researcher by profession, I took to the camera to embark on freezing the eternally intriguing moments!
